

CROSS-R

AVEC RECTANGLES SUPERPOSES

design Luigi Brembilla

Uniquement un jeu de rectangles qui se superposent pour former un corps de chauffe

vraiment très particulier.
On peut l'utiliser comme sèche-serviettes mais

aussi comme radiateur de forme purement décorative pour n'importe quelle pièce.

DIMENSIONS

Largeurs : 56/64/104/124/144/164 cm

Hauteurs : 70/137/177 cm

Profondeurs : 6/10 cm
