The technical drawing shows a vertical assembly of three shelves. The top shelf is labeled with a width of 3 and a height of 3. It features two black squares representing electrical outlets. The middle shelf is labeled with a height of 3. The bottom shelf is labeled with a width of 3 and a height of 3, and it features two white squares representing electrical outlets. To the right of the drawing, the text 'FISSAGGI' (Fasteners) is followed by 'Mensole B35' and 'comprese' (included). Below this, a legend indicates that a white square symbol represents 'mensole per modelli elettrici' (shelves for electric models). An inset image shows a close-up of a white electrical outlet mounted on a shelf.
