

KUAD

A new sense of harmony in the bathroom:
KUAD is a reversible towel-heater that can

be fitted with either the flat or the curved
side of the collectors in full view.

We recommend using Quadra valves if the
flat side of the collectors is visible.

DIMENSIONS

Width 35 / 45 / 50 / 55 / 60 cm
Height 75 / 112,5 / 150 / 175 cm
Depth 3,8 cm
Depth from wall 10,5 cm
