

Nostos creates a warm and welcoming feel, designed to act as a multi-sensory link between everyday objects and people's most intimate experiences.

A metaphor for a personal journey exploring the relationship between space and home. In fact, the artist defines Nostos as the archetype of Odysseus' own "homecoming", as the story of an unpredictable journey, capable of changing the aspects of life.

BREM'ART CREATIONS

The artist proposes the panels in Sablè quartz grey color SB 7039; other table sablè colors Brem without supplement.

The work is hand painted by the artist and others choice of Ocher Yellow, Pompeii Red, Emerald Green or Ultramarine Blue color band (standard).
